# Introduction

According to the Description of Work MenSI will produce by M5 (March 2021) a Dissemination and communication package (D6.2) including:

- Project logo and graphical guidelines
- Templates
- Promotional material

These items are described in this document.

# Logo and VI guidelines

The following logo has been designed for the MenSI project:

Logo Horizontal	Logo Vertical	Logomark
		

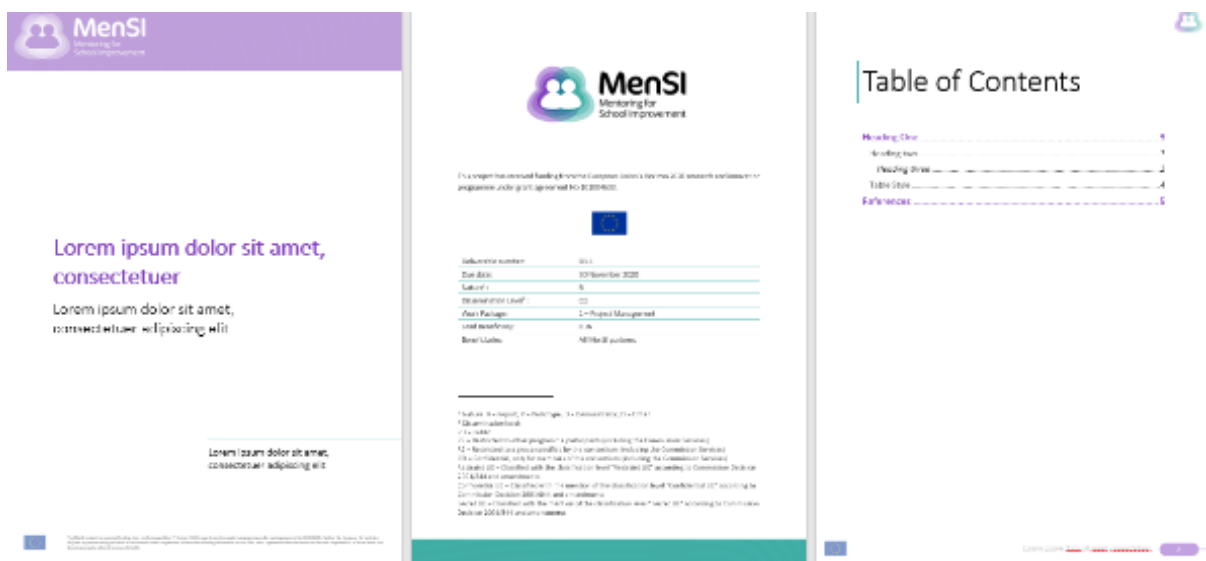

All versions of the logo are also available in grey scale and negative. The partners are also provided with **visual identity guidelines**. The logos and the guidelines are available at: <https://fcl.eun.org/mensi-dissemination>.

# Document templates

Templates (DOC and PPT) are created to be used for project documentation, deliverables and presentations.

## Word template (DOC)

The template is downloadable here: <https://fcl.eun.org/mensi-dissemination>

## MenSI infosheet

In the first stage of the project, EUN created a two-page infosheet that gives a quick overview about the project. The infosheet is easy to print out and can be used as a handout in events and meetings, as well as shared digitally. It will also be given to the selected schools.

The infosheet is translated by the partners into their languages.

The Infosheet is downloadable at: <https://fcl.eun.org/mensi-dissemination>

**MenSI**  
Mentoring for School Improvement

**School-to-school mentoring**

**About MenSI**

**Expected results**

- 1 An overview of school-to-school mentoring in Europe** – Based on desk research, interviews and surveys, a report on different types of mentoring between schools in Europe, including examples and case studies, with reference to models of digitally supported innovation.
- 2 24 school clusters in six countries** – The participating mentor and mentee schools will work collaboratively on developing digital competence and identified policy challenges (e.g. disadvantaged students), benefiting from customised professional development activities.
- 3 Experimenting with different whole-school mentoring approaches** – Information on regional hub mentoring approaches, including the role of online mentoring and different incentive/reward schemes, and how school clusters have implemented different types of bottom-up, self-organised approaches to cluster management.
- 4 Documentation and analysis of mentoring practice** – A summary on the different types of mentoring clusters with focus on innovative, effective and scalable strategies, practices, processes and digital tools used, and a report on effective whole-school mentoring, as evidenced in the project.
- 5 MOOC (Massive Open Online Course) and community of practice for practitioners** – A MOOC on school mentoring open to teachers and school leaders across Europe and an open community of practice to share, exchange and improve.
